on First street to Third avenue and from there was to go east as far as Fifth street, thence to First avenue and west again. Automobiles carried the delegates of the Court of Clanthe and a number of the officers of the grand lodge. The parade was led by the People's band, composed of Negro musicians.

The two conventions have been attended by about 100 delegates and have been very successful, it is said. The meetings closed with t day's sessions.

NEW MODEL OVERLANDS IN ARMY TRUCK TRAIN

The first of the new model Overland, four touring car and four cylinder sedan to be seen in Cedar Rapids were two of the new touring cars and one of the new sedan model which were here last night with the army motor transport train. These cars are being driven from the factory of the Willys-Overland company at Toledo, Ohio, to San Francisco. The cars were in charge of Sid Cooper, a representative from the factory of the company.

The Overland Doty company, 724-728 Third avenue, has received information concerning the new models but those here yesterday were the first that have been seen in this territory. The men with the cars reported a most successful trip over the first third of their 3,000 mile trip which will prove one of the severest tests for the new models of the cars.
